

Life Event Staffing specializes in auction technology platforms, so our staff are continuously gaining experience across the industry. We provide only skilled personnel who can help establish relationships with your team and donors whilst ensuring your technology platform runs smoothly.

We are well-versed in the refinements that go along with nonprofit clients and fundraising events. Clients don't solely need enthusiastic brand ambassadors; they require highly trained individuals who can confidently and knowledgeably run and assist in auction events.

Our staff are based across the US and Canada and all with a minimum of 5 years working within the fundraising industry.
